

Our country is naturally blessed with an ambience of serenity. Compared to most parts of the world, our people are more spiritual, cultured and friendly. We are one among a few countries in the world to have been blessed with 'unity in diversity'.

We firmly believe that as we engage in wholesome thoughts, these result in wholesome words and actions. And we also believe that as we transform the energy individually and collectively, the conditions of life and our country will improve tremendously.

Imagine a united, strong, prosperous, healthy and spiritually advanced Mauritius – free of frustration, stress, drugs-tobacco-alcohol addictions, robbery, poverty, corruption and accidents. Imagine our country where our children are protected and safe from all negative influences including drugs. Imagine our country where every person, every being is filled with intelligence, love, peace, abundance and joy! LUMIÈRE MAURICE

THE GREAT INVOCATION

From the point of Light within the Mind of God,
Let Light stream forth into the minds of the people of Mauritius.
Let Light descend on Mauritius.

From the point of Love within the Heart of God,
Let Love stream forth into the hearts of the people of Mauritius.
Let Love descend on Mauritius.

From the centre where the Will of God is known,
Let purpose guide the will of the people of Mauritius.
The purpose which the Holy Masters know and serve.
Let goodwill and the will to do good descend on Mauritius.

From the centre which we call the Human Race,
Let the Plan of Love and Light work out.
And may it seal the door where evil dwells.
Let Light, Love and Power manifest the Divine Plan for Mauritius.
So be it, so be it, so be it.
